RADIODIAGNOSTICA CINECITTÀ

TRADITION and
INNOVATION

Image Diagnostics
Healths Center

Medical Director Dott.ssa Grazia Loretta Buquicchio

Radiodiagnostica Cinecittà is part of the MLC Group and, for over 40 years, is a reference point for people in need of care in the south-east area of Rome. The Center has a coverage agreement with the SSN (Italian NHS) for traditional radiology and offers image diagnostics services, specialist consultations with instrumental examinations and home radiology. Insurance agreements are active for patients
